**Old Business: Trailer fundraising proposal** by Neicy Brochman: She has done research and found the following info: New trailer will **cost \$6000-\$7000**. Her contact has offered to donate design time for a possible vinyl wrap on the trailer. Old tracking will need to be transferred from old to new, prior to trade in. **Approx trade in value \$2000**. Neicy is checking with various businesses for sponsorship (old and new). Possibility of having name put on back of trailer for a \$500 or more donation, with a plaque inside the trailer recognizing parents/families that contribute. Some concern was expressed over asking same businesses for donations again, when they have been hit up so much. This is all a work in progress, no vote needed for now. It was suggested that a timeline would be helpful to proceed. Neicy will pursue getting pledges with a **target goal of \$5000**. Motion: Mr. Radford, 2<sup>nd</sup>, Cynde Gerold.

**New Business:** Pep Band: Close to end of season. Waiting on boys hockey results. 15 kids/game avg , with **8 making 90% of the games**. **March 2, 2010: 5<sup>th</sup>/ 6<sup>th</sup>: 7<sup>th</sup>/8<sup>th</sup> grade band concerts:** Suggestion that boosters come in and chat to solicit helpers, and mention **Music in the Schools month (March)**. About 4 Middle School parents needed for programs, Mr. Oldham to find. There will be time between sets for talking and to announce what boosters are and what we do. Jim W. will consider doing this.

**Jim W.:** Are we in **compliance** or does something need to be done to keep us in compliance. 501c3 status would allow us to do raffles etc.
