Old Business: Membership: General discussion held about getting new members. Looked into how Boosters functions. Talked about one option of making **subcommittees** to run different things like fundraising and volunteers. A treasurer has to be kept in place to be able to sign checks. **Plan:** Keep as it is for this year, and continue to recruit members. Perhaps send out agenda to parents prior to meeting.

Large trailer storage: Still at Brochmans. Connie to approach Jim and Susan Nelson of Hastings re: possible use of storage at their farm for the winter.

Small trailer: Mr. Johnson advised that the old trailer has to be put on website and sold that way. Current small trailer was donated by former marching band family in memory of their son who died. Marcia Hagland knows the family, and volunteered to contact them and let them know what we are considering doing with that trailer. If /when the family ok's its sale, a picture will be taken for the website. Cost of new trailer approx: \$1525 for a 5x10.

Ford Fundraiser: Reviewed details for new attendees. **Mike Ventry** has stepped up to run. Will take place in August 2011, with details to follow.

New Business: Cub Bagging: Laura Zabel and Connie Kolodziej to run this year with help from Heidi B. Email will be sent out the end of Nov for signups.

Chocolate Fundraiser: Found out that French students are already selling now and for Valentines Day, so we will not compete with that.

Next meeting: Jan 6, 2011, 7 pm
