

HASTINGS BAND BOOSTERS
MEETING MINUTES
OCT 24, 2011

Approval of Sept minutes: Approved as written

Treasurers Report: \$10,906.39 Ford Fundraiser was deposited-accounts not credited as of the date of meeting. Check cut for \$128.55 for spare tire and holder for trailer.

Band Directors Reports:

Emily Chandler: absent: none

Duane Oldham: 11/17 Concert. Will need helpers. Team leader should be able to call. There are pictures that night. Conferences 11/9-11/10

Jim Jacobsen: None. Absent

Old business: Directors list of potential team leaders. Was distributed and reviewed. Boosters will develop job descriptions for officers.

Ford Fundraiser: At time of meeting, funds had not been distributed. Total is about \$6160.00. We maxed out on 2nd test drives. Each student is getting \$12.00 for working that day. There were 6 students that worked and had no drives credited to them. They were each given an additional \$10.00. Boosters share (roughly 25%) was \$1480.00. Terry Ventry will check with Mike re: large check presentation from Ford for concert (letting community know of event, Fords participation as well as promoting Boosters. Check is a "publishers clearing house" type check, not an actual check.)

Winter storage for trailer: Kathy Blaha with the district office has a spot available for \$360.00, which is \$12/ft. A band parent has room for the little trailer in their garage.

Poinsettias: Sale ended 10/24/11. Delivery 12/4/11. Details to follow.

Budget/Wish list: Need to talk to Emily re: her wish for \$1000. What is this for? Mr. Jacobsen will need to approach parents re: cost of rental instruments.

Certificate books: Orchestra sold 123/band 291. Check going to Orchestra for \$246.00, \$1083.00 to boosters as profit.

New Business: 6th and 7th grade festival in Edina. Check needed tonight for the entrance fee of \$260.00. Boosters are writing out a check tonight as it can take up to 3 weeks to get a check from the district. They would like to get the 6th and 7th graders a secured spot in the event.

Bussing: \$400/bus

Total of 160 kids, 60-65/bus, and so 3 buses needed. An additional \$75 is needed for the trailer, for total cost of transportation of about \$1300. Kids will pay \$10 each for the event, which will include food.

*Niecy brought up the U of M indoor marching band concert 11/20/11. This event is being held in Rochester this year.

*Dr. Tim is coming back this year. He is a motivational speaker that was here in the past. Will be in March or April. Boosters did provide grant money last time for this event.

*Fundraising Ideas:

General discussion/brainstorming was done over possible other kids of fundraisers that could be done. Suggestions brought up were:

- 1) Spaghetti Dinner-all you can eat. Key is to get some/all of the products donated.
- 2) Bingo night: Flat entrance fee. Approach businesses to donate prizes. Refreshments would be served.
- 3) Chili Cook Off: Pay a flat fee to come in and taste. Have judges from the community, such as Mayor, superintendent, Principals etc

Next meeting, Wed. Nov 30, 7 pm

Next meeting: May , 2011
